Dear Hiring Manager,

I am writing to wholeheartedly recommend Nicholas Gordneer for the internship opportunity at East Hartford Public Schools. I have known him for 8 years as someone else in the industry, and I have been consistently impressed by their ability to adapt to new concepts and translate them into practical applications.

He is a quick learner who is able to grasp complex ideas quickly. They are also highly resourceful and can find creative solutions to problems. In my experience, he has a knack for breaking down complex tasks into manageable steps and explaining them to others in a clear and concise way. This skill would be invaluable in an internship setting, where he may be asked to work with students or staff members who have varying levels of experience.

I am confident that he would be a valuable asset to your team. They are a highly motivated and results-oriented individual with a strong work ethic. He is also a team player who is always willing to help others.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Nicholas Morin
